The City of Anaheim seeks a Project Manager I to perform a variety of professional level duties within the Economic Development Department's Property Development Division. The Project Manager I will assist the department with the implementation of economic development projects, promote and facilitate private investment, and disposition of Successor Agency properties.

Candidates must possess at least one (1) year of responsible professional level economic development experience processing entitlements, real estate development, urban planning, and/or community revitalization initiatives. A Bachelor's degree is required, but Master's degree is preferred. An ideal candidate will be an excellent communicator and possess a strong understanding of development and entitlement disciplines.

Applications will be accepted on a continuous basis until a sufficient number of qualified applications have been received. Interested individuals must submit a City application, cover letter, and resume at: <https://www.governmentjobs.com/careers/anaheim>. EOE.
