

SENIOR CONSTRUCTION INSPECTOR

City of Salinas, California

Salary: \$64,344 - \$82,140 annually.

Plus Excellent Benefits

The City of Salinas (pop. 155,205) is the 34th largest city in California and the largest city in beautiful Monterey County. The City is seeking an experienced Senior Construction Inspector to perform advanced office and field supervisory work in the construction inspection of public improvements including streets, gutters, water and sewer lines, roads and drainage structures required for subdivision and commercial development to ensure compliance with applicable laws, ordinances, standards, plans and specifications.

At a minimum, candidates must possess a High School diploma/GED and three years of public works construction inspection or field engineering experience or an Associate's degree in Science, Planning, Construction Management or closely related field and two years of public works construction inspection or field engineering experience. Experience in employee training and supervision is highly desirable.

Open until filled. For more information, please contact the Human Resources Office at: (831) 758-7254. EOE/AA. <https://www.cityofsalinas.org/> To apply please visit <https://www.governmentjobs.com/careers/Salinas>
