

## TRANSPORTATION PLANNER

Amador County Transportation Commission (ACTC)

Sutter Creek, California

Salary: \$66,289 - \$88,920 annually.

The Amador County Transportation Commission (ACTC) is seeking an entry or mid-level Transportation Planner to assist in implementing the roles and responsibilities of a regional transportation planning agency. The Planner works under direct supervision of the Executive Director; and, with increasing performance and responsibility, will work directly with the ACTC Board of Directors, city and County governments, other local agencies, the public, Caltrans, and the California Transportation Commission. The Planner will be given increasing responsibility to develop and implement the Regional Transportation Plan as defined through annual Overall Work Program work elements.

Applicants interested in applying should have a Bachelor's degree from an accredited four-year college in a field related to transportation or planning. No prior experience necessary.

A job application and instructions for submittal can be found on the ACTC website ([www.actc-amador.org](http://www.actc-amador.org)) or call (209) 267-2282. **APPLY IMMEDIATELY.** Open until filled.
