

## DIRECTOR OF PUBLIC WORKS/

### CITY ENGINEER

City of Lawndale, California

Salary: \$149,524 - 181,747 Annually

The City of Lawndale is seeking a dynamic leader to serve as the Director of Public Works/City Engineer. The position has full responsibility for providing direction and oversight for the department's key operational areas, including: engineering, street, building and landscape maintenance and contract administration. The position may serve as the City Engineer and administer the City's public works engineering program. The ideal candidate must have strong management, organization and communication skills with a proven track record of effectively overseeing capital improvement projects and public works operations.

Candidates must possess a Bachelor's degree with a major course work in civil engineering or related field and six (6) consecutive years of increasingly responsible experience managing diverse public works operations, including two (2) years managing and/or directing a division or department. Possession of a Class C Driver's License and registration as a Professional Engineer and/or Land Surveyor in the State of California is required. A Master's degree is highly desirable.

**APPLY IMMEDIATELY:** To apply, please submit an original City Employment application, resume and cover letter to: City of Lawndale, Human Resources Department, 14717 Burin Avenue, Lawndale, California, 90260. To obtain recruitment brochure and application, visit the City's website at [www.lawndalecity.org](http://www.lawndalecity.org) or by contacting the City of Lawndale at (310) 973-3200.
