

ASSISTANT REAL PROPERTY AGENT

PUBLIC WORKS

San Joaquin County, Stockton, California

Salary: \$5,067.08 - \$6,159.06/month

5% salary increase July 2023; 4% July 2024; 3% July 2025

San Joaquin County Public Works is recruiting an ARPA to perform appraisal and negotiation work for the acquisition of real property or property rights for purposes of rights-of-way, easements, and sites for public use and improvements. This position is responsible for preparing appraisal estimates and for negotiations in the acquisition and management of real property for Public Works and other County use, including preparation of environmental assessments.

Education: Graduation from an accredited four year college or university with major coursework in economics, business administration, agriculture, engineering, social sciences or closely related field. Experience: Two years of professional experience performing appraisal and negotiation work for the acquisition of real property. Substitution: Additional-qualifying experience may be substituted for the required education on a year-for-year basis.

APPLY NOW! Recruitment ends Friday, December 2, 2022 at 11:59 P.M. Complete application on our Employment Opportunities page at: <https://www.jobapscloud.com/SJQ>.
