

ASSOCIATE/SENIOR PLANNER (DOQ)

City of Visalia, California

Salary: \$6,622 - \$9,386 Monthly

The City of Visalia has one opening for Associate/Senior Planner, depending on qualifications (DOQ). The selected Planner will be responsible for a variety of complex planning processes and various development including Current Planning, Advance Planning, Environmental Review, major subdivisions, residential planned developments, commercial and industrial complexes, and may also perform land-use planning and preparation of specific plans. They will prepare updates to General Plan elements including the Housing Element, perform research and provide public assistance. Other responsibilities include Planning Commission and City Council presentations, and presentations to community groups.

Experience & Education: Associate Planner: One year of increasingly responsible experience in a municipal or county planning department. Graduation from an accredited college or university with major course work in planning, architecture, landscape architecture, economics, geography, public administration or a related field. Senior Planner: Three (3) years of increasingly responsible experience in the field of urban planning, including experience in a supervisory capacity. Graduation from an accredited college or university with major course work in planning or related field considered useful in City planning, preferably supplemented by a Masters degree in Planning or a related field considered to be useful in City planning.

APPLY IMMEDIATELY. Open until filled with first review of applications on December 7, 2022. For more information on the department, position, requirements, and application materials, visit: www.visalia.city, under Jobs in the City. (559) 713-4300. EOE.
