

## **DIRECTOR OF PUBLIC WORKS/CITY ENGINEER**

CITY OF LAWDALE

LAWDALE, CA

SALARY: \$149,524 - \$181,747 PER YEAR

PLUS EXCELLENT BENEFITS

The City of Lawndale is seeking a dynamic leader to serve as the Director of Public Works / City Engineer. The position has full responsibility for providing direction and oversight of the department's key operational areas, which includes: engineering, street, building and landscape, maintenance and contract administration. The position serves as City Engineer and administers the City's public works engineering program. The ideal candidate must have strong management, organization and communication skills with a proven track record of effectively overseeing capital improvement projects and public works operations.

Candidates must possess six (6) consecutive years of increasingly responsible experience managing a diverse public works operation, including two (2) years supervising, managing and/or directing a division or department. A Bachelor's degree from an accredited college or university with a major course work in civil engineering or related field. Possession of a valid California Class C driver's license and registration as a Professional Engineer or Land Surveyor is required. A Master's degree is highly desirable.

**APPLY IMMEDIATELY:** First review of applications will take place on March 15, 2023. To be considered, please submit an official City Employment Application, resume and cover letter to: City of Lawndale, Administrative Services/Human Resources Department, 14717 Burin Avenue, Lawndale, CA, 90260. To obtain recruitment information, please visit the City's website at [www.lawndalecity.org](http://www.lawndalecity.org). EOE.
