

ENVIRONMENTAL COMPLIANCE SPECIALIST

Otay Water District

Spring Valley, California

Salary: \$97,386.53 - \$121,732.70 Annually

Are you a self starter who is not afraid to take on a wide variety of responsibilities? Do you have the ability to recognize problems, distill and define the pertinent issues, and propose effective solutions? Do you have experience with environmental planning, documentation, reporting, and permitting? Have you worked with project managers to ensure compliance with the California Environmental Quality Act, National Environmental Policy Act, the Endangered Species Act, and Air Pollution Control District regulations? If so, we would like to hear from you.

Required Licenses and/or Certifications A valid California Class C Driver's License and a safe driving record. **Minimum Experience, Education, and Training Requirements** Experience: Three (3) years experience in environmental and regulatory compliance. Education: Bachelor's degree in Environmental Sciences or a closely related field.

Applications will be accepted until there are a sufficient number of highly qualified applicants from which to make a selection. For earliest consideration please submit your application materials by: March 27, 2023. For the complete job description go to the Employment section of our website at: www.otaywater.gov. EOE
