

**METROPOLITAN
TRANSPORTATION
COMMISSION**

TRANSPORTATION/CLIMATE PLANNER

Metropolitan Transportation Commission (MTC)

San Francisco, California

Salary: \$96,884.74 - \$141,662.98 Annually

Be ready to rethink your assumptions about the public sector. Flexible hours? Flexible work location? A beautiful, well-located, high amenity building for on-site work? Yes, yes, and yes! For more information about MTC, visit www.mtc.ca.gov.

The Assistant/Associate Transportation/Climate Planner will assist in developing and delivering projects, policies, and strategies that reduce transportation-related greenhouse gas (GHG) emissions within MTC's Climate Initiatives Program. The position will be part of a team that implements a variety of mobility strategies identified in Plan Bay Area 2050. Key responsibilities include support in delivering the existing Climate Initiatives Program strategies and programs, including grant management and administration, as well as support in developing new strategies and programs such as those related to transportation electrification.

A Bachelor's degree in an appropriate field related to the area of assignment, such as transportation planning, city and regional planning; transportation engineering or modeling, financial management, economics, business or public administration. A Master's degree is desirable.

One year of increasingly responsible experience in an appropriate field related to the area of assignment, such as transportation planning, city and regional planning, transportation engineering or modeling, financial management, economics, business or public administration.

APPLY BY: Sunday, March 19, 2023. If you are interested, please apply immediately. Apply at: <https://www.governmentjobs.com/careers/mtcca/jobs/3920704/transportation-climate-planner>
