MAJOR TRANSIT PROJECTS PLANNER/ANALYST

Metropolitan Transportation Commission (MTC)

San Francisco, California

Salary: \$96,884.74 - \$141,662.98 Annually

Remote Employment: Flexible/Hybrid

Be ready to rethink your assumptions about the public sector. Flexible hours? Flexible work location? A beautiful, well-located, high amenity building for on-site work? Yes, yes, and yes!

Under supervision of the Section Director, Assistant Director and Principal Planners/Analysts, this position will be responsible for managing transportation funding programs; participating in project controls and monitoring efforts of major capital transit projects throughout the region; conducting complex financial analyses of transportation revenues and expenses; and producing and presenting analysis and reports about the region's transit programs as necessary.

A Bachelor's degree in an appropriate field related to the area of assignment, such as transportation planning, city and regional planning; transportation engineering or modeling, financial management, economics, business or public administration. A Master's degree is desirable.

One year of increasingly responsible experience in an appropriate field related to the area of assignment, such as transportation planning, city and regional planning; transportation engineering or modeling, financial management, economics, business or public administration.

APPLY BY: Sunday, April 2, 2023 at 11:59 PM. First round interviews tentatively scheduled for Thursday, April 13, 2023. Apply at: www.governmentjobs.com/careers/mtcca/jobs/3936703/major-transit-projects-planner-analyst
