

ASSISTANT PUBLIC WORKS DIRECTOR

City of Simi Valley, California

Salary: \$135,535.00-\$174,821.00 annually

plus excellent benefits.

**Salary increase currently under consideration.

The City of Simi Valley is recruiting for an Assistant Public Works Director. The Assistant Director is responsible for the engineering and operation of three Public Works Divisions: Waterworks, Sanitation, and Environmental Compliance. Under administrative direction, directs, manages, supervises and coordinates assigned programs and activities within the Public Works department including engineering, traffic, waterworks engineering, sanitation engineering, waterworks, sanitation, maintenance and source control functions; coordinates assigned activities with other divisions and outside agencies; and provides highly responsible and complex administrative support to the Public Works Director.

Minimum Qualifications for consideration: Education/Training: Equivalent to a Bachelor's degree from an accredited college or university with major course work in engineering, public administration, business administration or a related field. Experience: Five years of increasingly responsible public works experience including two years of administrative and supervisory responsibility. License or Certificate: Possession of, or ability to obtain, an appropriate, valid driver's license. Possession of registration as a professional engineer in the State of California may be required depending on area of assignment. Possession of registration as a professional engineer in the State of California is highly desirable.

APPLY IMMEDIATELY. This recruitment is open until filled; first review of applications will occur on March 24, 2023. For more information and to apply please visit: <https://www.calopps.org/simi-valley/job-20358071>
