

## ASSOCIATE ENGINEER

### PUBLIC WORKS

City of Indio, California

Salary: \$80,095.56 - \$118,337.64 Annually

Full-time plus benefits.

Under general supervision, learns to perform and performs field and office civil engineering work involved in the design, construction, and maintenance of municipal facilities; performs other related duties as required.

The Associate Engineer is the journey level class in the professional engineering series in which incumbents are expected to work of average difficulty. It differs from the Assistant Engineer class by its responsibility for more complex engineering projects requiring independent engineering analysis. This classification is alternatively staffed with Principal Civil Engineer, and incumbents may advance to the higher level after gaining experience and demonstrating a level of proficiency that meets the qualifications of the higher level class.

**Education:** In addition to the requirements above, the required qualification is to possess a Bachelor's degree from an accredited college or university in Civil Engineering or a closely related field. **Experience:** In addition to the requirements above, the required qualification is to possess two years of progressively responsible professional, municipal experience in civil engineering equivalent to that of an Assistant Engineer in the City of Indio.

Possession of a valid Class C California driver's license. Possession of a valid certificate of registration as a Civil Engineer issued by Board for Professional Engineers, Land Surveyors, and Geologists.

APPLY IMMEDIATELY at: [www.indio.org](http://www.indio.org). The City reserves the right to accelerate or extend the "Closing Date" of open positions at any time, dependent upon the number of applications received.
