

DIRECTOR OF PROJECT DELIVERY

San Bernardino County Transportation Authority
San Bernardino, California

Current Salary: \$137,628 - \$206,441 Annually.

*Pending Board of Director approval, the Salary range for this position effective 6/17/2023

This is a department director classification that oversees, directs, and participates in all activities of the Project Delivery Department, including short- and long-term planning and development and administration of departmental policies, procedures, and services. This class provides highly responsible and complex professional assistance to the Deputy Executive Director and the Executive Director in areas of expertise in a variety of administrative, coordinative, analytical, and liaison capacities. Successful performance of the work requires knowledge of public policy, SBCTA functions and activities, and the ability to develop, oversee, and implement assigned programs, projects, and services. Responsibilities include coordinating the activities of the department with those of other departments and outside agencies and managing and overseeing the complex and varied functions of the department. The incumbent is accountable for accomplishing departmental planning and operational goals and objectives and for furthering SBCTA goals and objectives within general policy guidelines.

Minimum Qualifications: Equivalent to a bachelor's degree with major coursework in engineering, construction management, public administration, or a related field and ten (10) years of broad and progressively responsible experience in transportation project development, delivery, and program/project management, including three (3) years of management experience. Licenses and Certifications: Possession of a valid license as a Professional Engineer issued by the California Board for Professional Engineers, Land Surveyors, and Geologists is desirable.
