

PROJECT MANAGER II

City of Stockton

Stockton, CA

Monthly Salary \$6,005.72 - \$7,710.16

The City of Stockton is seeking to fill a Project Manager II position in the Public Works Department. Under general direction, plans, organizes, and administers Public Works projects of various levels of complexity; may lead and coordinate activities of Capital Improvement Program (CIP) project teams; leads and coordinates the work of assigned professional and support staff who are acting as project team members; performs related duties as assigned. The Project Manager II assigned to Facilities Maintenance Section will assist in completing a variety of projects related to the improvement or maintenance of City facilities. Other tasks may include reconciliation of contracted services for on-call emergency repairs, janitorial, alarm, and plumbing services, and/or other duties as assigned.

Possession of a Bachelor's degree from an accredited college or university with major course work in engineering, business or public administration, or a closely related field; AND two (2) years of project leadership experience in government or engineering-related projects. OR

Possession of an Associate of Arts degree or completion of sixty (60) semester units or equivalent quarter hours from an accredited college or university with major course work in pre-engineering, business or public administration, or closely related field; AND four (4) years of project management experience at a level equivalent to the City's class of Project Manager I.

Final Filing Date: Tuesday, September 26, 2023, 5:30 p.m. For a full job description and on-line application, please go to www.stocktonca.gov/jobs EOE
