

## **INFORMATION SYSTEMS ANALYST I**

County of Nevada, CA

\$76,389 - \$93,255 annually, plus excellent benefits

The County of Nevada, California, located in the scenic Sierra foothills, seeks an Information Systems Analyst I to support custom, department-specific applications, along with enterprise-wide systems, collaborating closely with the desktop, network and hardware support teams for projects and product implementations.

Minimum requirements include a Bachelor's degree, preferably with course work in computer science, information technology, business administration or a related field; or two years of course work plus two years of experience comparable to Nevada County's classification of Information Systems Analyst Trainee. Experience in SQL development, fiscal systems, GIS, scripting and programming are a plus!

Final filing date: 11/17/23. For full details and to apply, please visit <https://nevadacountyca.gov> (click "County Careers"), or call 530-265-7010 for general information.
