PUBLIC PROGRAMS PROJECT MANAGER (2 POSITIONS)

Metropolitan Transportation Commission (MTC)

San Francisco, CA

\$116,726.69 - \$148,037.76 Annually

Remote Employment: Flexible/Hybrid

ABAG/MTC is hiring two Public Programs Project Managers to oversee the design, start-up, and implementation of the various components of BayREN's new public sector programs—including an Energy Concierge service, an Energy Roadmapping service, a Decarbonization Showcase, and a Decarbonization Education and Financing program—as well as components of the Codes & Standards program. The Project Managers will be part of ABAG/MTC's Energy Section and will carry out other related tasks to support BayREN and the Energy Section.

The successful candidates will have direct experience with local governments and with climate and energy-related activities. In addition, experience managing contracts and budgets, collaborating effectively with colleagues and partners, excellent written and oral communication skills, and working with data and metrics is required. Knowledge of energy efficiency program operation is strongly desired.

Requires a Bachelor's degree in an appropriate field related to the area of assignment, such as transportation planning, project management, public finance, transportation engineering, economics, business or public administration. A Master's degree is desirable. Two years of increasingly responsible experience in an appropriate field related to the area of assignment.

Deadline to apply is Sunday, February 4, 2024 at 11:59 PM. IF YOU ARE INTERESTED, PLEASE APPLY IMMEDIATELY. First round interviews tentatively scheduled for Tuesday, February 13, 2024. Apply online at: <https://www.governmentjobs.com/careers/mtcca>
