

PUBLIC WORKS MANAGER

City of Visalia, California

\$8,885-\$11,169/mo.

Plus Excellent Benefits

The City of Visalia is seeking two Public Works Managers to lead various divisions within the Public Works Department. One position will oversee Streets Maintenance (including Traffic Safety) and Fleet Management and the other will oversee the Water Reclamation Facility (WRF) (Operation and Maintenance), Sewer and Stormwater Collections, and Pretreatment. The Public Works Managers will be responsible for leading and ensuring the efficient operations of their respective areas and for numerous complex projects, budget oversight, procurement, and contract management.

A typical way to obtain knowledge, skills, and abilities would be a bachelor's degree in business or public administration, or related field and five years of progressively responsible experience in the management of public works field operations or related managerial experience. Knowledge in municipal work such as capital projects, procurement methods, state and federal requirements, and local government policy as well as possession of a State of California Wastewater Treatment Plant Operator Grade V and Wastewater Treatment Plant experience are desirable.

APPLY IMMEDIATELY. First review of applications January 30, 2024. Apply online at: <https://www.governmentjobs.com/careers/visalia>
