

PARK RANGER

City of Visalia, California

\$5,006 - \$6,293/month

Plus Excellent Benefits

The City of Visalia is seeking a Park Ranger to become part of our Team! The selected candidate will be responsible for patrolling and monitoring activity at city parks, enforcing applicable city ordinances, county codes, and state laws relating to use of parks, trails, and city parks facilities. The position requires nights and weekend work assignments.

The ideal candidate will be a detail-oriented self-starter who understands the basic principles and practices associated with enforcing park ordinances and has knowledge of proper methods, materials, equipment, and tools used in the maintenance and operation of grounds and buildings associated with a park. They must establish and maintain cooperative relationships with the public and other employees and act with discipline and discretion in stressful situations involving visitor and employee safety. A typical way to obtain the knowledge, skills and abilities would be having two years of experience in parks operations, security operations, law enforcement or related field.
