Knowledge, Skills & Abilities Diablo Water District evaluates candidate qualifications based on an equivalent combination of education and experience. For example, if a candidate does not possess a college degree (applicable to some jobs) but possesses double the number of years required relevant experience, this may satisfy the minimum job requirements. Accordingly, candidates of all education/experiential backgrounds are encouraged to apply. • Possess a high school diploma, G.E.D. equivalency, or high school proficiency certificate, required. • Two years field experience in an occupation with relevant duties, required. Required Licenses and/or Certifications • Maintain a valid California Class C Driver License throughout employment. Failure to obtain or maintain such required license(s) may be cause for disciplinary action. Individuals who do not meet this requirement due to a physical disability will be considered for accommodation on a case-by-case basis. • Possession and proof of a driving record free of multiple or serious traffic violations or accidents for two (2) consecutive years. • Possession of State of California Distribution II and Treatment II Operator Certifications. Individuals who do not meet this requirement may be considered for alternative entry-level positions. • Backflow General Tester Certification, preferred.

Environmental Factors • Exposure to the sun: 50% to 100% work time spent outside a building and exposed to the sun. • Work above/below floor level: Some work done on ladders or other surfaces above and below the ground. • Works in an environment with exposure to dust, dirt, chemicals, and significant temperature changes between cold and heat. • Ability to navigate uneven surfaces, with or without assisting devices. Typical Physical Activities Diablo Water District supports modern ergonomics and safety protocols in all its daily practices. • Ability to lift and carry 90 pounds repeatedly. • Operates District vehicles to travel between District plants and facilities. • Must be able to carry, push, pull, reach, and lift equipment and parts weighing up to 90 pounds. • Stoops, kneels, crouches, crawls, and climbs during maintenance and repair work on telemetry and communications systems. • Communicates orally with District staff and the public in face-to-face, one-to-one settings. • Regularly use a telephone for communication. • Uses common hand tools such as wrenches, hammers, pliers, screwdrivers, and such special tools and equipment. • Uses office equipment such as computer terminals, copiers, and FAX machines. • Stands and walks for extended periods of time. • May occasionally travel by airplane and automobile in conducting District business.
