The Orange County Mosquito and Vector Control District (the District) is an independent special district dedicated to protecting public health by controlling rats, flies, mosquitoes, Red Imported Fire Ants, and other vector related problems. The District has a full-time staff of 69 employees and a seasonal staff of approximately 70 employees that assist in the day-to-day operations. Under administrative direction of the District Manager, the Deputy Director of Finance/Director of Finance is an executive management level class, which oversees the District finances. The Finance Division consists of two and half (2.5) full-time-time staff who are responsible for the financial transactions, record-keeping, accounting, compliance with governmental accounting, and administers the District budget.

Requirements: Deputy Director of Finance: Three (3) years of relevant experience and a Bachelor's degree from an accredited university. Director of Finance: Five (5) years of relevant experience and one (1) year of which should be in a supervisory capacity; Master's degree or CPA highly desirable.
