

Cathedral City

ASSISTANT CIVIL ENGINEER

City of Cathedral City

\$78,113 - \$102,248 annually

EXCELLENT BENEFITS for employees and eligible dependents include paid PERS, vision, medical, and dental plans, bilingual incentive pay, degree incentive pay, shift differential, and a 2.5% pay increase effective the first pay period following January 1, 2025.

Assistant Civil Engineer is the entry-level class in the series. Initially under supervision, incumbents perform a variety of civil engineering assignments. With experience, the work becomes progressively more diversified and difficult and requires independence of judgment. This class is alternately staffed with Associate Civil Engineer, and incumbents may advance to the higher level after gaining experience and demonstrating proficiency that meets the qualifications for the higher class.

Possession of a valid Class C California driver's license; and Equivalent to a Bachelor of Science degree from an accredited college or university in civil engineering or a related engineering field and; Possession of Engineer-In-Training (EIT) certification recognized by the State of California; AND One year of experience performing civil engineering work.

THIS RECRUITMENT WILL REMAIN OPEN UNTIL SUFFICIENT QUALIFIED APPLICATIONS ARE RECEIVED AND MAY CLOSE WITHOUT PRIOR NOTICE. Applications will be reviewed as submitted, with the opportunity of same day interviews! Apply immediately at www.joincathedralcity.org.
