San Bernardino County Transportation Authority

\$7,995.42 - \$11,993.17 Monthly

\$95,945.00 - \$143,918.00 Annually

Under general direction, plans, organizes, oversees, and coordinates the development and implementation of council of governments and equity strategies that relate to the provision of local government services. The range of the services provided and level of SBCOG involvement is determined by the SBCOG Board of Directors, but could include initiatives relating to such activities as low-income housing, emergency service communications, use of advanced technology, and other areas where efficiencies and increased effectiveness can be achieved through multi-jurisdictional coordination and implementation of services. The COG and Equity Programs Manager promotes the effective use of resources to improve organizational productivity and customer service in the department, providing support to the Chief of COG and Equity Programs and to the Director of Planning and Regional Programs.

Equivalent to graduation from an accredited four-year college or university with major coursework in urban planning, public policy, political science, business or public administration, or a closely related field, and five (5) years of increasingly responsible professional regional program or project management experience at a government agency.

Requires possession of a valid California Driver's License, a satisfactory driving record, and a properly registered and insured vehicle, to be maintained throughout employment. Position may require pre-employment background investigation, physical and drug test.
