

## **SPECIAL PROJECT MANAGER**

City of Industry

Salary Range: \$87.50 - \$107.50

The special Project Manager is a temporary part-time position for a limited duration not to exceed 960 work hours in a fiscal year. This position will eliminate a backlog of current and advance planning projects, including processing applications for significant and highly complex new developments.

The ideal candidate has four-year college with a bachelor's degree in planning, economic architecture, AND four years of increasingly more responsible experience in planning including two years in a supervisory capacity.

**APPLY IMMEDIATELY:** Open until fill. Qualified individuals, Submit a City application and resume to: [COJobs@cityofindustry.org](mailto:COJobs@cityofindustry.org). Applications may be obtained on the City website at: [www.cityofindustry.org](http://www.cityofindustry.org)
