

## UTILITY MAINTENANCE SUPERVISOR

Otay Water District

San Diego, California

\$117,224.96 - \$146,530.81 Annually

The Otay Water District offers a very competitive benefits package which includes paid leave of 12 vacation days, 8 days paid sick leave, 14 holidays, medical and dental coverage, life insurance, PERS Retirement, Health Reimbursement Arrangement (HRA), and more.

This position reports directly to the Utility Services Manager and will organize and supervise the activities of utility crews engaged in Capital Improvement Projects (CIP) and in the installation and maintenance of water distribution, wastewater collection, reclamation and related facilities, and plan and schedule work crews and resources. Oversees asset management initiatives, monitors Key Performance Indicators (KPIs), and leads the section's digitalization of records and Standard Operating Procedures (SOPs).

Requirements for the position include a valid California Class C Driver's License and safe driving record. A valid California State Water Resource Control Board Water Distribution Grade II Certificate. A valid California State Water Resource Control Board Water Distribution Grade III Certificate, required within eighteen (18) months of appointment. Certification in Collection System Maintenance Technologist Grade II issued by the California Water Environment Association (CWEA) is required: Grade I within twelve (12) months of appointment and Grade II within eighteen (18) months of appointment.

Minimum experience for the position is seven (7) years of journey level experience performing water distribution, collection system, reclamation maintenance and construction work. Three (3) years as lead or two (2) year as a supervisor over a utility construction workgroup installing and maintaining same or similar activities, is desirable. Education required is a high school diploma or G.E.D, and an Associate Degree in Water/Wastewater Technology is highly desirable.

Applications will be accepted until there are a sufficient number of highly qualified applicants from which to make a selection. However, for the earliest consideration, please submit your application materials by November 17, 2024. For information on the recruitment process, full job description and to apply, please go to the Employment section of our website [www.otaywater.gov](http://www.otaywater.gov).
